Approx. Rates Quoted Below

Unallocated rooms for weddings are released for general sale 3 weeks from the wedding date, do contact us if you wish to be put on a wait list for same. info@rathsallagh.com or see this link for information for Guests Attending Weddings at Rathsallagh Providers on this list will not charge (and or refund) a cancellation fee where the guest is moving to a room at Rathsallagh House.

This list is provided by Rathsallagh to assist you in finding alternative local accommodation. Please note that this list is not to be construed as a recommendation under any circumstances. Fáilte Ireland's role, under Irish law, means that it has certain responsibilities in relation to the listing, registration and grading of Irish tourist accommodation, but those responsibilities do not extend to B&B's. However, as the national tourism development authority, they do seek to encourage tourist accommodation businesses such as B&B's to voluntarily achieve certain minimum standards. Encourage is the operative word here and the effective enforcement of these standards is open to question on occasion, however 99.99% of these B&B's do perform to or well above standard. We would encourage you to do your own research to satisfy yourself with standards prior to booking.

Page 2. Non-Approved B&B 's & Airbnb's

It must be noted that less than half of the premises operating as B&B's in Ireland are actually registered/approved by Fáilte Ireland. This is because the costs of registration and inspection, in addition to the availability of on-line distribution channels such as AirBNB outweigh the benefits of registration. In addition, there are no effective barriers to anyone entering the B&B trade as there are no restrictions or penalties imposed on those trading outside of the Fáilte Ireland approved scheme. 90% these accommodation providers do perform to or well above standard.
